Dear Medard

**Yass Valley (Coppabella) Wind (SSD-6698)  
Traffic Management Plan**

I refer to the Coppabella Wind Farm Traffic Management Plan submitted to the Department as required under condition 32 of Schedule 3 of the development consent for the Yass Valley (Coppabella) Wind Farm.

The Department notes that the development is proposed to be undertaken in two stages, the first for the development of the wind turbines and associated infrastructure, except for the upgrade of Coppabella Road which is not proposed to be used as agreed with Hilltops Council. The second stage being the upgrade of the section of Coppabella Road if required in consultation with Hilltops Council.

The Department has carefully reviewed the document addressing the first stage of the development and is satisfied that it generally meets the requirements of condition 32 of Schedule 3 of the development consent.

Accordingly, the Secretary has approved the Traffic Management Plan (Revision 1.2, dated 29 May 2020).

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Javier Canon on 02 9373 2821 or at [Javier.Canon@planning.nsw.gov.au](mailto:Javier.Canon@planning.nsw.gov.au).

Yours sincerely
