Planning Update

Ongoing Update and Finalisation of Project Documentation

Biodiversity Offsetting Requirements

- Vegetation remapping completed and agreed (Sch.3, C.19a) with BCD. Currently finalising the biodiversity offset credit requirements.

Variation to Condition of Approvals

- Requirement to update EEC clearing limits to align with the completed vegetation remapping. Currently being addressed by DPE & DCCEEW

Biodiversity Management Plan (BMP)

- Updated BMP to be lodged this month.

Other Management Plans

- Review previously approved management plans and update (where required)
- Bird Bat Management Plan ongoing
- Progressing Offset arrangements

Environment Protection Licence (EPL)

- Application drafted. To be lodged prior to NTP.

Other

- Whitefields Road – additional minor vegetation clearing works completed in August (3 trees + branch trimming) (consistent with consent allowances and Whitefields Roadside Vegetation Management and Landscaping Plan). Additional 40 plantings established along Whitefields Rd on 4 Oct '23
- Whitefields Rd – plan for spray of Blackberry. Any recommendations for reliable local supplier?
- Updating the Water Supply Works approvals for test bores. Production bore timing of use under update.
