Subject: Yass Valley Wind Farm – Revised Environmental Management Strategy

Dear Ms. Gifford

I refer to your submission requesting review and approval of the revised Environmental Management Strategy for Yass Valley Wind Farm (SSD-6698-PA-7).

I note the Environmental Management Strategy contains minor revisions to:

- organisational structures
- project schedule
- relevant legislation and guidelines and
- agency names.

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Rev 2.0, Dated 7 August 2024) in accordance with Schedule 4, Condition 1 of the Development Consent for Yass Valley Wind Farm (SSD-6698).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
